# Please review goals and make changes that you think will improve parent involvement.

### **FAYETTE LOCAL SCHOOL DISTRICT**

## AND FAYETTE ELEMENTARY

### Goals

- (1) There will be an annual meeting each Fall to keep parents informed and involved in all aspects of their child's education.
- (2) Suggestions or training parents to work with their children at home will be offered during conferences.
- (3) Staff will have in-service opportunities designed to train them to work effectively with parents.
- (4) Ways to involve parents may include (but not be restricted to) surveys, home/school communications, meetings, workshops, and progress reports. These ongoing means of consultation will enable parents and school to work together so that parents may gain a feeling of partnership in their children's education.
- (5) Parents lacking literacy skills or whose native language is not English will have information relayed to them in a different format (oral, written or with the help of an interpreter if possible).
- (6) Timely response to parent recommendations will be made.
- (7) An annual assessment of parent involvement effectiveness will be conducted via a spring survey or spring meeting.

## **MECHANISMS**

- (1) At the annual fall meeting, after consultation and review by parents the parent involvement policy will be developed and made available.
- (2) Progress reports will be issued each year. Conferences will be scheduled each year and may be requested by the parents to discuss the child's progress.
- (3) The annual fall meeting and spring surveys/meetings will provide parents with opportunities to make requests for additional meetings and become aware of parental involvement requirements. Timely information about the program will be provided through home/school communications.
